- **Integrated LL.B. Course First time in Alwar.**
- Our LL.B. syllabus has been prepared by industry & Law experts as per the needs of business and industry.
- The syllabus focuses on practical and real life learning rather than cramming the theory books.
- In order to maximize the learning, our teachers / experts use modern techniques such as LCD, OHP, Workshops, Presentations and Digital Class Room.
- There is a heavy demand of young legal professionals with business and management knowledge in corporate sector. BBA + LL.B. (integrated) course is the most suitable course to feed such demand.
- A large and modern infrastructure to provide legal education includes audio-visual class rooms, moot court, rich library and online access to law database of Supreme Court / High Courts Journals.
- University examinations are well in time and results are declared on time.
- To make our students confident and prepare them for competitive environment, we offer 'Personality Development' and 'English speaking' classes regularly by industrial experts.
- Separate Hostel facility for boys and girls available in IET Campus .
- Special weekend classes by Law / Industry / Corporate experts.
